Adopt-a-Magazine Program

Lyon Township Public Library offers over 100 magazines in a wide range of topics for all age groups. The cost of magazines continues to rise and the library is faced with the difficult challenge of maintaining our popular magazine collection in the face of budget cuts. Adopting magazine subscriptions helps the library provide more of the materials that our patrons enjoy.

If you would like to participate, fill out the form and give it to a library staff member with your check, or if you choose you can mail it to the library.

Please make checks payable to Lyon Township Public Library.

Named Sponsorship

We will place a label celebrating your adoption on every issue of your adopted magazine throughout the year of your pledge. This is a cost effective way to promote your business or organization to customers who visit the Lyon Township Public Library everyday. However, upon request, your name or the name of your business or organization will remain confidential. You may choose from one of our available publications that supports the ideas of your business, organization or personal interest. If you would rather, the library staff can choose a magazine for you.

Tax Advantages

Your contribution is deductible in the year of the payment as an itemized deduction for federal income tax purposes. It also qualifies for a Michigan income tax credit.
