

April 23, 2020

Greetings!

The Lyon Township Public Library remains closed to the public through April 30, 2020, due to the extended Michigan's stay home, stay safe order.

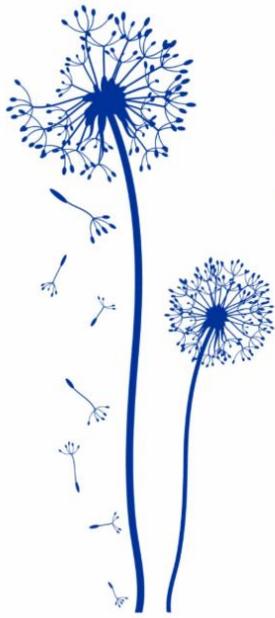

We know it's difficult right now for everyone, but please do not worry about due dates or fines; please keep all library materials at home with you. We will inform you through our various communication channels when you may bring everything back to the library. Thank you so much for your patience and understanding.

Please check our website for updates, as changes may occur.

You are not alone! LTPL staff are committed to supporting you as much as possible during our closure.

Please join us for this special virtual event!

A global pandemic can be pretty disruptive to our normal pace of life. Some of the best techniques for working through it include mindfulness and a solid mental health routine. Join a therapist-led virtual discussion alongside others to find support and build community.

The Neighborhood Library Association is pleased to host local therapist Andrea Nitzkin, LMSW. She will share techniques for building resilience during this time of uncertainty, how to create a routine that keeps you feeling at your best each day, and mindfulness techniques that can be used to help keep fear and discomfort at bay.

Our regular Storytime has gone **VIRTUAL!**

Join us every week day at 10:30am, on our Facebook page, for a short version of storytime with Miss Lissa or Miss Jocelyn!
