Dear Lyon Township Community,

Throughout the year, but especially during winter, there are always

concerns about contracting a contagious illness. The Centers for Disease Control and Prevention (CDC) lists several recommendations for prevention, which are as follows:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If tissues are unavailable, cough/sneeze into your sleeve.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Follow CDC's recommendations for using a facemask.
  - CDC does not recommend that people who are well wear a facemask to protect themselves from respiratory diseases, including COVID-19.
  - Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
  - If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

You may be interested in reading more about the Flu; if so, [click here](#). Or if you would like to read more about COVID-19, we have compiled a list of resources for you in one convenient location on our website, [here](#).

### **In response to the growing health concern, we (at LTPL) have:**

- \*Installed hand gel sanitizer dispensers for the public throughout the building
- \*Installed a disinfecting wipe container for use at the public access computers
- \*Temporarily removed all children's toys and manipulatives from the children's area, story time and other children's programs
- \*Increased cleaning and sanitizing of all public areas
- \*Continue to follow best practices for hygiene in the workplace

We will communicate any further changes in service at the library as a result of coronavirus.

### **Library Programs Status**

**All scheduled library programs will be evaluated on a case-by-case basis. Notices will be posted, as updates happen, on our website and social media**

If you and your family are not feeling well during this season, we encourage you to consider using any of the options listed below while you look after your well-being.

LTPL offers several excellent online resources that are accessible from

within the comfort of your home, as long as you have a Lyon Township Library card in good standing!
