District Library User Policy

Salem-South Lyon District Library

Why can't LTPL patrons check out items at SSLDL?

The Salem South Lyon District Library is funded through the property taxes of the City of South Lyon, Salem Township, and through a special contract with Brighton District Library that splits the property tax revenue received from Green Oak Township between the three school district populations of Whitmore Lake, South Lyon, and Brighton. Residents of Lyon Township do not pay property taxes to support the SSLDL.

But I used to use SSLDL years ago?

SSDL and LTPL both belong to the same library cooperative, TLN. There is equal borrowing between its 53 members. When use of one library by residents from another area exceeds 5%, The Library Network supports cost recovery measures. In 2002 the use of SSLDL by LTPL patrons was 15%. A non-resident user fee was implemented by the SSLDL Board of Trustees for \$75 which was increased to \$100 in 2005, and again in 2010 to \$130. The non-resident user fee is based on the dollars paid by the tax-paying citizens which currently is upwards of \$150 per year.

What are the libraries I can use with my LTPL card?

There are 53 libraries that belong to The Library Network. While LTPL strives to have the latest new books, movies, audio books, a diverse magazine collection and programs for the entire family, should you need to visit another library, LTPL patrons may use any of the following TLN libraries listed below at no charge. There are many within a 10 mile radius of Lyon Township such as Novi, Wixom, Milford, Brighton, and Northville.
